

From the Editorial Desk

Welcome to this edition of the school's newsletter, 'SunRachna'. This newsletter takes you through the several happenings and cheers that have transpired through the last two quarters of the academic session 2021-2022. This issue is an attempt to showcase the achievements, accomplishments and talent that have been embodied by each one of our students in the previous months. Our students always prove that they excel in any field of learning they aspire to. This issue is dedicated to the spirit of these young achievers. This first half edition highlights the excellent CBSE Board results of classes XII and X, celebrations, competitions, scholastic and co-scholastic achievements of the students. The editorial team takes this opportunity to express its sincere gratitude to Honourable Members of the Management Committee and Principal Mrs. Preeti Goel for entrusting us with the responsibility of adding one more chapter to the endeavours of SVIS. We hope that you would enjoy the journey as you sail through the leaves of achievements.

CBSE BOARD RESULT 2021

Amid a lot of anxiety and expectations among the students, parents and teachers. CBSE declared the results of Class XII and X on 30th July and 3rd August respectively. The results were the culmination of performance of the students over the entire academic year 2020-21.

Our students like previous years scaled the height of success in both the classes XII and X. The School Management and Principal Ms. Preeti Goel, congratulated the students for their success and also lauded them for their hard work and showered their blessings on them.

Let's clap the loudest,
For the batch of 2020-21
Let the thundering ovation
Reach every teacher who adapted,
Every student who accepted,
Every parent who supported.

Let's show our appreciation,
For the teachers who gave up their old methods
Their classrooms, their boards;
And adopted innovative methods to teach.

Let's cheer for the 16 year olds
The students who gave up their freedom,
Their playgrounds, their classrooms,
All within a span of few days
And adopted the online system of learning

Where the cheering was virtual,
Where teaching was virtual
The exams were virtual.

Let's give a thundering round of applause.
Let it reach every student who smiled
In spite of online learning difficulties.

Let us clap the loudest
For the batch of 2020-21
Who made history
For being the first online batch.
For studying without school ambience,
Without the friendly giggles and smiles.

They are the bravest of them all
Silently understanding the scenario
Taking their parents' worried faces,
And giving them lovely smiles.
Understanding that their year is at stake,
But knowing that lives too are at risk.

The Batch of 2021 has to be applauded,
For their coping mechanisms.
For their patience, their silent support.
For their parents who were struggling,
For their teachers who were coping,
For their friends who were missing them,
For the optimism they displayed,
For the silent understanding,
For the heads bent over books,
For the never-ending suspense,
Of the upcoming boards and results,
For missing the farewells,
The laughs and jeers,
Of the last day of school.

They shall be treasured,
They shall be admired,
They shall be winners

In all their chosen fields
For it was the year of 2021,
When academics underwent a revolution.

The Batch of Online 20-21
They deserve the loudest claps.

The custodians of the Earth pledge to protect their planet : **Earth Day 2021**

“We always worship earth as mother but our mother needs our love and care, more than being worshipped”.

To make students aware of the importance of protecting the earth, the school celebrated Earth Day on 22nd April. Students made e-posters, emphasizing sustainable development, well decorated paper bags, pen holders etc. to encourage the importance of three R's in day-to-day life. They wrote messages on the paper bags requesting the people to replace the plastic bags with paper bags.

Celebrating Motherhood,
celebrating mothers

It is always said that, 'Mother is one who can take the place of all others but nobody can take her place'. For our little ones, Mother's Day was a big deal. Under the supervision of their teachers, they created cards just for their mothers as a way to show their affection for her.

Environment Day 2021
All for one and one for all

On June 5, 2021, students virtually celebrated Environment Day. They participated in various activities like role – play, PowerPoint presentations, e-poster designing, collage making, slogan writing etc. They also planted saplings, cleaned their garden and pledged to maintain the greenery around their surroundings. Their message was clear: Let’s unite towards the goal of creating safe and cleaner environment.

Exercises and yoga are the two mantras we need to chant every day to bring fitness, peace and rejuvenation.

Yoga is a form of promise to show the awareness towards physical fitness and children are always enthusiastic to follow it not only at school but also at their homes.

School students celebrated Yoga Day virtually on 21st June and set an example through various asanas, for their elders to be flexible and fit.

celebrations at school

The school celebrated the 75th Independence Day with great enthusiasm and zeal, following the standard operating procedures / protocols of the pandemic.

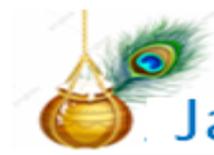

The celebrations started with the flag hoisting by the Members of the Managing Committee and Principal Ms. Preeti Goel which was followed by the National Anthem and cultural programme. The sectoral growth of the country during the past 75 years was expressed through musical extravaganza by the students.

हिंदी दिवस

School celebrated Hindi Diwas on 14th September with great enthusiasm. The love for their mother tongue was seen among the students and felt through their creative work which included poem recitation, poetry writing, poster making, nukkad natak, vaad vivaad and slogan writing etc.

Janmashtami Celebration

The life of Lord Krishna portrays different traits of human beings like love, affection, friendship, patience, learning etc. His life teaches us that life is full of ups and downs. With the right approach we can deal with all adverse things in life. We are so influenced by Lord Krishna that every child at home is seen as Radha and Krishna. This makes Janmashtami as one of the favourite Hindu festival. The students celebrated Janmashtami virtually. They expressed their love and devotion to Lord Krishna through their dance performances, bhajans, attire, rangoli, etc.

Thanking our Teachers

Teachers have played a variety of roles in the teaching and learning process, ranging from ancient gurus to contemporary educators. From Gurukul to physical classroom and virtual classroom, innovative methodology has been adapted by teachers to pass on their knowledge to their students. Students posted messages of thanks and pledged to follow the ideals and paths provided to them by their teachers on this important day to demonstrate their appreciation and gratitude for them.

Let's Win
